Dan Roller

Maran Capital Management

For this week's Top-50 feature we present Dan Roller, Founder and Chief Investment Officer of [Maran Capital Management](#). Maran runs a concentrated fund focused on small-cap stocks and special situations located in Denver, CO. They operate under the belief that "these are the most inefficient corners of the market." Prior to founding Maran in 2015, Dan "honed his investment philosophy and process for over a decade working in research analyst and portfolio management roles at well-regarded hedge funds in New York City." Additionally, Dan graduated from Duke University in 2003 where he studied Electrical Engineering and Computer Science. This analytical foundation has served him well. After all, over the past five years, Maran Partners fund has compounded at an impressive rate of +22.3%, net of all fees and expenses.

As we look forward to next week's feature, you can keep up to date with Dan's most recent endeavors via his personal [Twitter](#) account or [LinkedIn](#). Please note that this article only reflects publicly available information since no conversation took place with Mr. Roller prior to publication.
